

_yo: hello, good morning, how are you? _matias: Hi, Santi, I'm fine, and you? what are you doing? _yo: I'm fine, today I'm very positive, I was mowing the lawn and taking out the garbage. I always take out the garbage after lunch and every day I mow the lawn after taking out the garbage. These are my daily housework and what are you doing? _matias: I was going to my English lessons and I asked a classmate what they did last class because I didn't go, I always go to my lessons from 1:30 p.m. to 3:30 p.m., today I feel very pessimistic.
