/ 6

Last Saturday I saw my friends in the park. I cut some bread and cheese and made sandwiches. I put some fruit in my bag, too. I found some pears and some kiwis in the kitchen. My friend Mateo loves chocolate, but I didn't find any. Then I went to the park. We did gymnastics on the grass, then we ate our lunch. Sarah had a lot of sweets and she shared them with us. Our lunch was delicious!
