**Animal Sculpture Exhibition**

Visit the Sculpture Museum this summer. There are 40 different animal sculptures in the exhibition. Each animal is made from rubbish: tyres, bottles, cardboard boxes, newspapers, plastic bags, drink cans, etc.

Paper or cardboard?	Metal or rubber?	Plastic or glass?
<p><b>‘Rabbit’</b> By Nancy Winn</p> <p>This rabbit is made of paper. The artist uses old newspapers and magazines to create rabbits, dogs and other pets.</p>	<p><b>‘Lion’</b> By Yong Ho Ji</p> <p>This lion is made of rubber. The artist uses old tyres to make lions, tigers and other wild animals.</p>	<p><b>‘Frog’</b> By Veronika Richterova</p> <p>This blue frog is made of plastic. The artist uses old plastic bottles to make frogs and fish. She also makes butterflies, dragonflies and other insects.</p>

**From 21st June to 20th September Don't miss it! Buy your tickets online today.**
