OUR READERS' LETTER

Dear friends forever,

Here is a photo of my best friend Mary and me. Can you guess who is who? Mary is taller than I am, and her hair is shorter than mine. She's stronger than I am, and she can run faster than I can. She's very friendly and nice. I help her with her homework sometimes because I am better at Maths and Science than she is. At the weekends, we love to ride our bikes in the park and sometimes we go shopping together. We talk on the phone every day I am so happy Mary is my best friend! I want to surprise her with our picture in your magazine.

Your reader,

Gina
