My Summer Blog

I'm very excited because I'm going to visit my friend Jess this summer. Jess lives on an island in Scotland. About 80 people live on the island. There isn't a baker's or a butcher's or a newsagent's. There's just one shop for everything, with a postbox.
There aren't many roads or cars. No zebra crossings! 😲 But there's a bridge that goes to another island and a boat that goes to lots of different places.
It sounds boring 😒 but I think I'm going to have a great time 😃 There are lots of things to do on the island. I'm going to go fishing, sailing, hiking, cycling and birdwatching. But I don't think I'm going to go swimming in the sea because the water is very cold. 🥶
