Hi! My name is Mark. I'm 12 years old. I usually use the internet three or four times a week. I always use my mobile phone to chat with my friends, and I sometimes use my brother's laptop to do research. I contact my family and friends quite a lot, but I never contact my teachers. I'm interested in doing research, but I don't like doing presentations. I'm good at writing stories and poems. I like websites about music, and I also love travel blogs. I think they are really interesting. What about you?

- 2- How often does he use internet?
- 3- Who does he contact online?

4- Which technology does he use to do research?

4- Does he like doing presentation?

5- What is he interested in?

2- Now, WRITE a similar paragraph about yourself.
