A SUPER HERO

1) Read the description.

Her name is Super girl. She's nine years old. She's young and kind. She's tall and thin. She's got long straight dark hair. She wears a cape and blue boots.

In her free time, she likes going camping with her family. She always takes a rucksack, a torch, and a sleeping bag with her. She likes going for walks and swimming.

She gets up at seven o'clock. For breakfast she has orange juice and toasts. She goes to the Super Heroes school at eight o'clock. At half past three she comes home from school.

At home, she always takes out the rubbish but she never waters the plants. She usually goes to bed at quarter past ten.

2) Read the description again and complete the chart.
