

Super Stu is a spy. At night, he doesn't sleep. He walks around the city. He watches people with his telescope glasses. He finishes work at 6 o'clock in the morning.

After work, Stu goes home and sleeps for about six hours. In the afternoon, Super Stu goes shopping or he goes to the cinema. He loves watching spy films!

In the evening, he doesn't watch TV. He sleeps again for two hours. Then, his watch beeps. He gets up and goes into the city again.
