Peter always gets up at half past six. Every day, he has a shower and gets dressed before he has breakfast. Then, he brushes her teeth and goes to work. He never leaves the house before eight o'clock.

Peter always has lunch at half past twelve at the office. After lunch, he watches tv and reads the newspaper. After work, he goes shopping before he gets back home. When he is at home, he usually does chores, but Friday evenings are different.

On Friday evenings, Peter hangs out with friends, and they go to a restaurant. He sometimes goes swimming on Saturday mornings. After that, Peter visits his parents. He never goes online on Sundays because he likes doing outdoor activities!
