

English language guide

Hello Sofía

- In English, you have to read the novel Les Miserables. You can find the text in this link.

- After you read, do the activities that appear at the back of the book. From page 48 to page 51.
- Then, work on Unit 3 of the book. At pages 28 and 29 you find the vocabulary you need to start the unit. It is about adventure.
- Then at pages 30 and 31 you find the text and the grammar part of the unit. Present perfect simple and present perfect continuous.
- Do activities 1 and 2 of page 30 and 1, 3, 4 and 5 at page 31.
- Then go to page 33. There will learn to use some adverbials that go with present perfect simple.
- Do all the exercises except for exercise 8.

I hope you feel well soon.
