INTRODUCTION

Welcome students! It's a pleasure to be your teacher again. For the ones who I meet for the first time my name is Belen Lopez and we are going to work together so as apart from learning English you can enjoy and love this process of learning.

I have prepared an activity which is going to be finished on Wednesday, 5th. We are going to share it in class so I can know more about you, your goals for this year, etc.

Then, you are going to work on a review that must be uploaded and prepared for Wednesday, 5th.
