INTRODUCTION

Welcome students! It's a pleasure to meet you and tell you that I am going to be your teacher this year. My name is Belen Lopez and we are going to work together so as apart from learning English you can enjoy and love this process of learning.

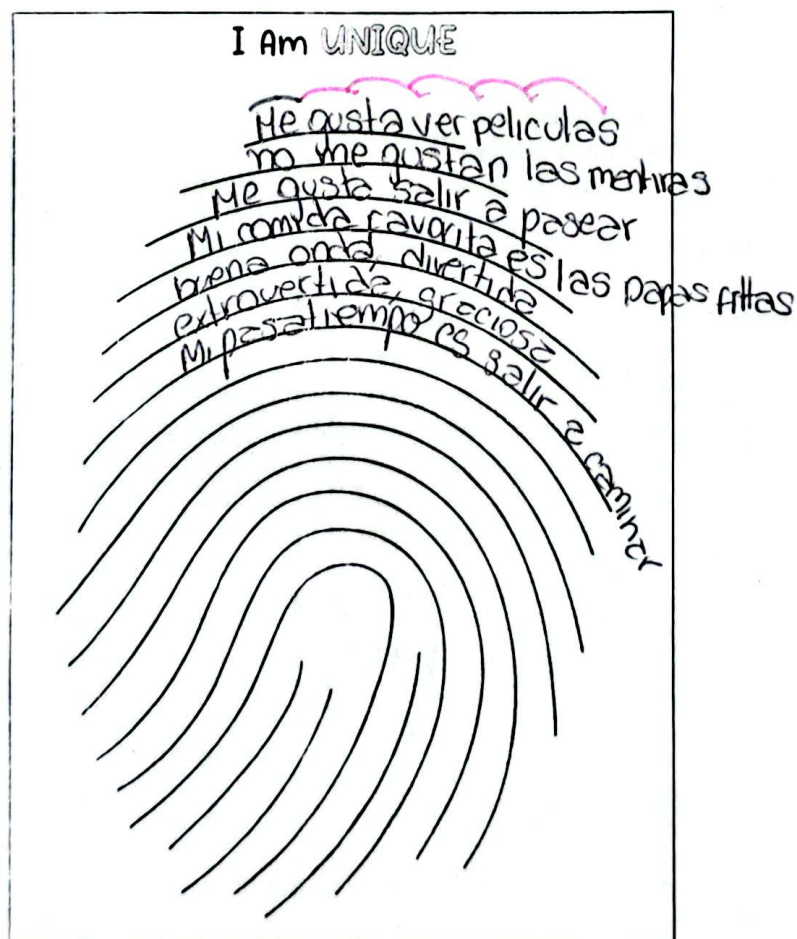

To know you I have prepared an activity which is going to be finished on Wednesday, 5th. We are going to share it in class so I can know more about you.

Then, you are going to work on a review that must be uploaded and prepared for Wednesday, 5th.

GET TO KNOW ACTIVITY

1. Look at the picture and answer the questions:

- What can you see in the picture? What is it?
- Is it the title related to the picture? In what ways?
- What things apart from our fingerprint do you think make us unique?

2. Write on your fingerprint the things that define you, things that make you unique and different from others. You can write on it with different colours.

Try to include:

- Things you like/ dislike
- Things that you enjoy doing in your free time
- Personal information (favourite food, colour, etc)
- Adjectives that describe who you are
- Hobbies, etc.

Note: Your fingerprint must be on your notebooks.

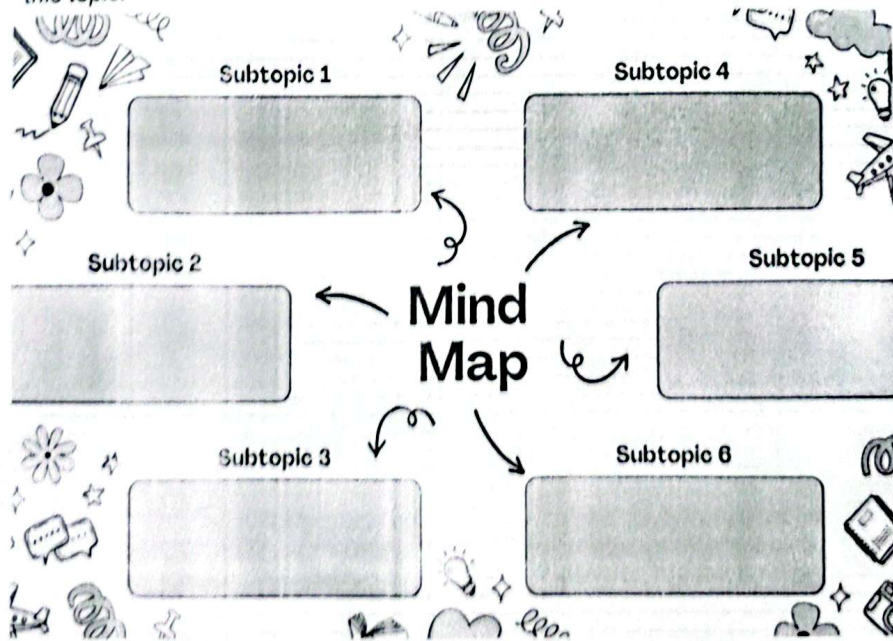

REVIEW

3. Think about all the things you learnt last year and complete the chart.

Things I learnt	Things I love doing last year	Things I have some difficulties with
<p>Pasado simple verbos regulares y irregulares</p>	<p>Pasado simple</p>	<p>Pasado simple verbos regulares y irregulares</p>

4. Choose a topic from ones you write on the chart and prepare a short explanation about it to share with all the class. You can make a mind map that helps you to remember the topic and the most important things about it.

Note: You can also include questions you want to ask to your partners about this topic.

Ingles

Veo una huella dactilar y es lo que nos hace unicos
I see a fingerprint and it's what makes us unique

Creo que esta relacionado por que muestra
nuestra huella dactilar nos hace diferentes y unicos
I think it is related because our fingerprint makes us
unique

Tambien lo que nos hace unicos es nuestra manera
de ser y sentir. La manera en la que vemos las
cosas

I feel that what also makes us unique is our way
of being and feeling. also the way we see things

Past Simple

El pasado simple en ingles se utiliza para hablar de
acciones que ocurrieron y finalizaron en el pasado

Verbos Regulares: se agrega ed- al final del verbo
Ejemplo "play - played"

Verbos Irregulares: tienen formas propias que deben
memorizarse: Ejemplo: Go ~ Went

Estructura Afirmativo: Sujeto + verbo en pasado

Ejemplo: I visited the park

Negativa: Sujeto + didn't + Verbo en su forma base
Ejemplo: She didn't go to the party last night

Interrogativa: "Did" + sujeto + verbo en su forma base
Ejemplo "Did you visit the park?"
