INTRODUCTION

Welcome students! It’s a pleasure to be your teacher again. I have prepared an activity which is going to be finished on Wednesday,2nd. You have to upload it before that day.

I want to know about you and how your life is going so first we are going to do an activity related to that. Then, we are going to make a review and a short production with all you have learnt last year.

GET TO KNOW ACTIVITY

1. Look at the picture and answer: “What is in my jar?” Write on the hearts in the jar:

- 3 things you have learnt last year
- 3 things you want to achieve this year
- 3 things you expect this year from the subject, your teacher, your classmates, or about yourself.

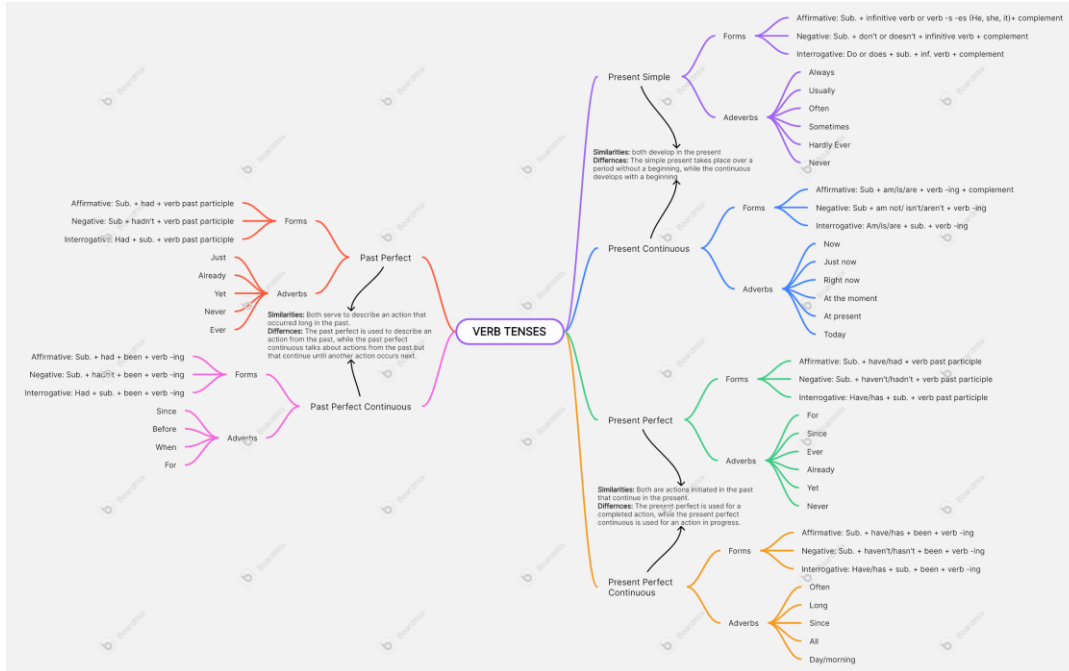

2. Think about all the things you learnt last year and complete the chart.

Things I learnt	Things I love doing last year	Things I have some difficulties with
I haven't learnt nothing English in the last year,	In 2022, I liked learning of the pollution in the world.	I don't really remember what it cost me that year.

because in my actual school don't teach English, but at my job at IKEA, I speak a lot of English. Most of my customers are foreigners.

3. What past, present or future tenses have we seen last year? Make a mind map, mention some of them and explain their uses, forms and adverbs. Mention their similarities and/ differences.

I was very tired because I had worked in the restaurant parctices.

Then i go to my work in IKEA at 4 p.m., I am working in the bedroom and kitchen area every day to 5 p.m at 9 pm.

I do the English homeworks tonight because my unic free time is in this moment.
