RAISED BY THE VILLAGE

Raised by the Village is a fun TV show in Ireland. Two young people from the city visit a village for a week. They learn about life in the country and have a good time, too!

EPISODE 1 Ballintubber

Ballintubber is a small village, but it's more than 2,000 years old. There's a castle and a museum and there are some small shops. There isn't a mall or a cinema, but many people think it's a great place to live.

Warren is a 12-year-old boy from Dublin, with short blonde hair and blue eyes. At school, his teachers and friends think he's kind and funny. In Ballintubber, Warren stays on a sheep farm with Alan and Majella Garvey and their two children. They have a lot of fun together.

Jordan is a 16-year-old Dublin girl with red hair and freckles. She isn't at school now, so she spends a lot of time at home. Her mum thinks Jordan needs a short holiday in the country. In the village, Jordan stays with John and Catriona Carley and their five children. They've got a dairy farm near Ballintubber. Jordan learns a lot about animals and has an amazing week in the village.
